1. Call to Order and Introductions

Chairperson Noreen O'Toole called the meeting to order at 12:00 P.M. and then read the Meeting Accessibility Statement and the Title VI Notice of Protection Statement. Those present then introduced themselves.

2. Public Comments

Dan Salvucci stated that he represents Whitman on the MBTA Advisory Board. The MBTA is looking to introduce a new program regarding repairs. In the past, the MBTA would make repairs over a period of 4 hours when the train would be stopped. There is a new proposal to shut down the station needing repairs Friday night through the weekend and open back up on Monday. Buses would run throughout the weekend. The MBTA believes that this would allow a years' worth of repairs to be completed in a month.

3. Minutes of the February 6, 2020 Meeting

Chairperson O'Toole asked if the members had reviewed the minutes of the February 6, 2020 Meeting. The members then voted to endorse the minutes of the February 6, 2020 Old Colony JTC Meeting.

4. Communications

Shawn Bailey reviewed the contents of the communications staff report. Included were letters of

OLD COLONY JOINT TRANSPORTATION COMMITTEE (JTC)

correspondence, as well as notices of workshops and conferences. They are as follows:

- Announcement from Baker-Polito Administration Regarding Workforce Transportation Grants Awards

C. Draft MBTA Public Engagement Plan

Paul Chenard summarized the Draft MBTA Public Engagement Plan. The Plan outlines the MBTA's commitment to public engagement in the improvement and development of public transit infrastructure in the Commonwealth. Outlined in the plan are strategies that will be utilized in the outreach efforts to engage members of the public on planning studies and infrastructure projects. As a part of these outreach methods and strategies, the plan also discusses how the MBTA will engage those members of the public who have been traditionally underserved by the public transit system and or have lacked access to the decision making process historically. The updating of this plan is required by the Federal Government in order to ensure the MBTA is meeting its commitment to civil rights. The public comment period ends March 20, 2020 at 5 PM. Public comments can be submitted via the MBTA's website.

Charles Kilmer asked if there is any evolutionary changes in the plan since the 2014 version. Paul Chenard stated that they are trying to be more robust in their public outreach process for this plan. There will also be more interactive tools.

8. Other Business and Public Comment

A. Community Local Technical Assistance Studies

Bill McNulty reported on the following Community Local Technical Assistance Studies:

Easton

- Belmont Street (Route 123) Traffic Counts: Data collection planned for Spring 2020

Hanover

- Walnut Hill Neighborhood Traffic Study: Data collection scheduled for Summer 2020 (Tentative)

Hanson

- Route 58 Traffic Study: Analysis and Findings Distributed; Meeting Scheduled

Plymouth

- Intersection Traffic Study of Carver Road and Montgomery Drive: Data collection planned for Spring 2020

B. Staff Reviews on ENFs, EIRs, and NPCs

Kyle Mowatt summarized the Environmental Notification Forms (ENFs), Environmental Impact Reports (EIRs), Notices of Project Changes (NPCs), and Certificates for projects within the OCPC region that are undergoing Massachusetts Environmental Policy Act (MEPA) Office review.

Projects Currently Under Review as of February 18, 2020

EEA #16023 - Sylvia Place Pond Dam Breach (Kingston) (DEIR)

The project consists of breaching the existing dam and abandoning the existing fish ladder. The restoration approach stemmed from the need to rehabilitate the deteriorating fish ladder and eroding earth embankment dam in accordance with the DCR ODS. Hydraulic modeling of the Sylvia Place Pond Dam has been completed. With spillway capacity limited to 25 cubic feet per second (cfs), the dam is subject to potential overtopping in the event of runoff generated by a 2-year, 24-hour, or less, storm event.

C. Regional Concerns and Local Community Transportation Issues

Bill McNulty stated that the RSA in Abington at Birch and Brighton Street is complete and is expecting a Draft of that RSA today.

Bill McNulty announced another RSA in East Bridgewater on March 16, at the intersection of Bedford Street (Route 18) and West Street (Route 106)/East Street.

Charles Kilmer stated that OCPC will be conducting a RSA in Brockton at Main Street & East Nilsson Street. Ray Guarino will be taking the lead on this RSA.

OLD COLONY JOINT TRANSPORTATION COMMITTEE (JTC)

Charles Kilmer thanked MassDOT regarding the restriping of lanes on Route 25.

9. Adjournment

The meeting adjourned at 12:47 PM.

Respectfully submitted,

Kyle Mowatt
